## Transplant Patient Fund

After a life-saving transplant, patients may struggle with the expense of medical-related travel, lodging and mental healthcare. Your gift relieves financial burdens so patients can prioritize healing.

Heart Recipient

## Children's Transplant Fund

Kids in need of lifesaving transplants face immense medical and logistical challenges. Amplified by our partnership with **Kosair for Kids**, your gift provides vital life necessities when families need it most.

## Donor Family Fund

After the sudden loss of a loved one, donor families are often met with unexpected costs. Your gift helps with travel, lodging, and burial or cremation - ensuring every donor is honored with dignity.

## Community Outreach

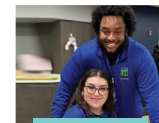

Through impactful outreach programs and education, we dispel myths, build trust, and empower everyone to say "YES" to organ, eye, and tissue donation. Over **75,000** new names have been added to the registry.
