

# How to Remove Your Name from the Donor Registry

1 Go to **www.RegisterMe.org**

2 Click **Access your registration** at the top of the page

3 Enter your **First name, last name, date of birth, and zip code**

Enter only **ONE identifier** to log in:

Use your **Driver's License Number**

if you registered at the driver's license office, enter in your driver's license number. Do not include the dashes between the numbers.

4

Use the **Last 4 digits of your Social Security Number**

if you registered through MyChart, Apple, or online

5 Click **Sign in**

Click **Remove Me**

6

## Manage Your Donor Registrations

Deceased Donor

You are registered as a deceased organ, eye and tissue donor.

[Update Specifications](#)

I would also like to authorize organ, eye and tissue donation for research and education.

!

## Important tips

- Use **only one identifier**, not all of them
- Try an **old zip code** if you have moved
- Try a **previous last name** if your name has changed
